SAVOIR VIVRE LIFESTYLE

RE-EXPERIENCE THE WORLD! LUXURY VACATION RENTALS

MYKONOS - IBIZA.

From the Heart Made With Love...

We have over a decade of experience in the luxury vacation rental industry, providing unprecedented service and authentic experiences for guests that are unique, as they are demanding.

The company was created by Sonia Felfli, a multicultural world traveler who felt in love with Mykonos and Ibiza. Her intention was to make a difference in the luxury real estate and villa rental business that she felt was not well addressed - offering honesty, discretion, and safety personally to each one of Savoir vivre lifestyle's guests.

When she is not working - which is quite rare- she is traveling, training, meditating, listening to playlists clients have shared with her, in the kitchen baking for her family or helping others being a better person.

Each of our Services is Curated with Style & Substance.
